Restoration Industry Update

RANWC Affiliate Success Series

Are you aware of what is happening in the restoration industry as it pertains to the real estate industry? This industry has changed dramatically in the last three years especially with the changes in Mold Remediation and the impact that it has had not only with sellers but with buyers as well. Come and learn the impact of these changes and how it is impacting the real estate environment.

Join Todd Kammerzell (Servpro Corporate) and Janet Coriaci (SP of Arlington Heights/Prospect Heights) as they walk you through these changes and further educate you on what these remediation protocols are.

In lieu of a seminar fee, please consider bringing a donation for RANWC's charitable foundation, Helping Our Heroes
